

Recommended Summer Reading for Students Entering Second Grade

Number of Pages: 150 to 300

Assessment: Record reading data on the Berean Academy Reading Log (due the first day of school). Students who complete all the recommended summer reading requirements will receive a test grade of 100 to start the fall semester, and they will receive vouchers for five assigned dress-down days.

Non-Fiction: It is highly recommended that at least two selections be non-fiction. The current reading list does not include non-fiction titles, so parents will need to choose age appropriate non-fiction selections for their children.

Read Alouds: An adult may read aloud up to 75 pages to the child, as long as the selections are at least fourth-grade level.

Selections: The second page of this packet contains a list of recommended books for this age group; however, parents and students are not limited to this list. To locate additional titles, visit <https://www.arbookfind.com/>.
